STUDENT NOTICE

Dear Students,

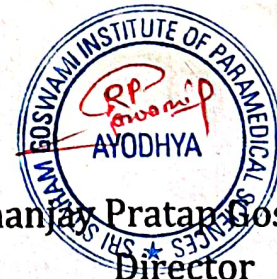

Hope all of you and your loved ones are safe and well.

We will be starting the academic year 2022-24, with online classes for all the Paramedical Courses from July 25, 2022. The timetable for the same will be posted shortly.

Even though the method of teaching & learning has altered, learning should continue in earnest. We urge each one of you to adapt to this new situation and do full justice to the online classes.

The institutes stand with you at every step of this way and you can approach your Subject faculty/Class teacher/HOD/Director in case of any issues.

For take new admission contact through our website www.ssgips.in or through admission councilors.
